

Delicious food served in a unique location

Our team at The Merton is extremely experienced in catering for large functions and events. We can offer a range of mouth watering menus that include BBQ food or a hog roast with a choice of seasonal salads and accompanying dishes.

The Aquadome is fully licenced and a private bar service can be provided for your event. In addition we can arrange entertainment and live music.

Let us know your requirements and budget and we can work together to ensure your event is tailored personally to suit you and your guests.

A great venue for informal corporate entertaining

Whether you are looking to arrange an informal reception entertaining clients, creating a team building event for your staff or organising a charity evening, the Merton Aquadome is the ideal venue.

The Aquadome is a unique and fun venue that offers a multitude of water-based facilities. Under the dome, its a subtropical 27 degrees Celsius with a fantastic 80 metre waterslide, spa pools, sauna and steam room. Outside there is another pool with its own spa and of course the popular Flowrider which will be available along with qualified instructors.

For those who do not wish to get wet there are plenty of indoor and outdoor areas to sit and relax and chat to fellow guests with your favourite drink in hand whilst being entertained by the more adventurous in your party.

What is the Flowrider?

Flowboarding is a sport that combines the look of surfing, the ride of snowboarding and the tricks of skateboarding. The Flowrider sends a thin sheet of water up a sloped and cushioned platform to create a wavelike flow of water.

After receiving instructions you can set off on your board either standing (flowboarding) or lying down (body boarding). Carve through the wave and try tricks as the spectators cheer you on from the surrounding viewing platform.

The Flowrider will be available throughout your evening with instructors on hand to provide help and tips to everyone. In addition you will be provided with wetsuits, rash vests and towels.
