

**delicious food  
professionally  
prepared and served  
in a unique location**

Our team at The Merton is hugely experienced in catering for functions and events. You can choose from a range of menus that include barbeque options and served with a choice of salads and accompanying dishes.

The Aquadome is fully licensed and a bar service can be provided.

Let us know your budget and preferences and we will provide a quotation specifically to meet your requirements.

Bring your next event to the Merton Aquadome and you are guaranteed an evening that everyone will be talking about.

Exclusive use of the Aquadome facilities

Indoor and outdoor pools

80 metre waterslide

Spa pools, sauna and steam room

The unique Flowrider™ surfing wave - the first and only one in the UK

A superb choice of menus - including barbeque options and a hog roast

you have just discovered a new and unique venue to hold your next company function or event.

In Jersey, many venues have been used so many times that the event becomes less attractive to invitees. Finding a location that is different & unique, but that can also provide a professional and high quality catering service is becoming a big challenge in Jersey

Well, now there's a venue that will deliver an enjoyable and memorable occasion for you and your organisation. Whether you are entertaining clients, creating a team-building event for your staff or holding a charity event the Merton Aquadome is ideal.

The Aquadome is a unique venue that offers a myriad of water-based facilities. Inside, under the dome it's a subtropical 27° Celsius with a fantastic 80 metre waterslide, spa pools, sauna and steam room. Outside there's another pool with its own spa.

Plus the Aquadome is now home to the first and only Flowrider™ in the UK.

What is the **FLOWRIDER**?

Flowboarding is a sport that combines the look of surfing, the ride of snowboarding and the tricks of skateboarding. The Flowrider™ sends a thin sheet of water up a sloped and cushioned platform to create a wavelike flow of water.

After receiving instructions and a few tips from our fully-trained instructors, you can set off standing up (flowboarding) or lying down (body boarding). Carve, try tricks and otherwise show your stuff as spectators cheer you on from the surrounding viewing platform.

The Flowrider™ will be available throughout your evening, with instructors on hand to provide help and tips to everyone. In addition we provide wetsuits, rash vests and towels for all participants.

Of course not everyone who attends will want to join in the water-based activities and there are plenty of areas to sit, relax and chat to fellow guests with your favourite cocktail in hand!
