

"Welcome to The Porter's Store."

The OFF-DUTY sanctuary of the hotelier world.

The Porter's Store is a behind-the-scenes refuge for catching breath and quenching thirst. A spot hidden away from guests, where shared conversations turn co-workers to companions.

Set within a time capsule of bygone eras; adorned with lost and found curiosities, and walls that embrace the secrets of the hotel. A bolthole of escapism; an eclectic blend of culture from all corners of the globe.

Celebrating ingredients from both local fields and faraway places, our menu acts as the narrator to our chronicles.

Inspired by our experiences and the characters we meet, we bring to life the stories and souvenirs left by our guests through elements of surprise and flavour.

So come as you are, kick back and pick your punch.

For now, you are strictly OFF-DUTY.
